

Messages from Redfield's Senior Leadership Team

12/6/26 – Term 6

Dear Parents and Carers,

Welcome back to Term 6. It has been wonderful to welcome the children back to school and to see the excitement, enthusiasm and positivity they have brought with them. Although this is our final term of the academic year, it is shaping up to be one of our busiest and most exciting.

This term, our value is Celebrations. Throughout the coming weeks, we will be exploring the many different ways we celebrate achievements, cultures, milestones and communities. As a Rights Respecting School, celebrations provide an important opportunity for children to recognise and value the diversity, talents and contributions of others, while also developing a sense of belonging and pride in themselves and their community.

Our annual Welcome Back Day was a fantastic start to the term. Children returned eager to immerse themselves in their new topics and classes enjoyed a range of creative hook lessons designed to spark curiosity and excitement for learning. Year 1 celebrated the start of their topic with a birthday party, while Year 3 held their very own festival. Across the school, children enjoyed engaging experiences that helped bring their learning to life from day one.

Last week, we were also delighted to host our annual Eid Celebration Event. A huge thank you to our parent community for helping to make this such a special occasion. It was wonderful to see so many families come together to celebrate through food, activities and shared experiences. Events such

as these help strengthen our school community and support children's understanding of different cultures, beliefs and traditions.

We have also been busy welcoming the newest members of our school community. It was a pleasure to meet many of the families whose children will be joining Reception next year during our recent welcome events. We look forward to working closely with them as they begin their journey at Redfield.

Our Year 6 residential was another highlight of the term so far. The children represented the school brilliantly and embraced every opportunity on offer. Residential visits provide much more than memorable experiences; they help children develop communication skills, independence, resilience, teamwork and confidence, all of which will support them as they prepare for the next stage of their education.

We would also like to congratulate our Year 1 children for their fantastic efforts in completing the statutory Phonics Screening Check, and our Year 4 children for approaching the Multiplication Tables Check with such determination and positivity. We are incredibly proud of the maturity and perseverance they have shown.

As we move towards the end of the academic year, there are a number of important dates to look forward to. We will be emailing families details of children's new classes for 2026–27 by Friday 27th June. Our transition days will take place on 15th and 16th July, providing children with an opportunity to spend time in their new classrooms and get to know their teachers. Families will also have the opportunity to meet teachers during our Meet the Teacher sessions during the week beginning 13th July.

Alongside this, we still have many exciting events ahead, including Sports Day, the Summer Fayre, end-of-year performances and, of course, our Year 6 Leavers' Assembly. We are looking forward to what promises to be a very busy, memorable and positive final term of the 2025–26 academic year.

Thank you, as always, for your continued support and partnership.

Key dates for Term 6:

24th June - Preludes Instrumental concert @ 3:30pm- (invites for families taking part will be sent out via Preludes)

1st July – FORET Summer Fayre @ 3:30pm

20th July – Year 6 production @2:30pm and 5:00pm

22nd July – Year 6 Leavers assembly @2:45pm

Message from FORE

We thought it was about time we introduced ourselves. These are the current faces behind FORET.

FORET fundraises for classroom activities and resources, playground improvements, special events and performances, trips for all year groups. We also support the school by giving our time - making costumes, organising events and after school clubs, visiting classrooms, and sharing ideas and skills.

If you'd like to join our committee or simply volunteer your time, skills or ideas, please come and talk to one of us when you see us in the playground and around school.

We're always excited to welcome new committee members, volunteers and fresh ideas.
