Dear parent/carers,

We are delighted to share that \_\_\_\_\_has been selected to take part in a special rugby coaching session with Bristol Bears captain, Fitz Harding. This exciting opportunity has been awarded in recognition of your child's excellent behaviour and positive attitude at the start of the academic year.

Fitz will be visiting the school to lead a 30-minute coaching session designed to inspire and encourage our pupils. Please ensure your child is dressed in suitable sports clothing on the day.

We are incredibly proud of your child's efforts so far and look forward to seeing them continue to thrive, both in their learning and in the wider opportunities school has to offer.

With best wishes,

Scott Freeman

Head of School
