

Writing

Our core text this term is 'Incredible You'. We are going to be writing poetry about our favourite animals, identifying rhyming couplets along with identifying the structure of a poem. We will also be writing a narrative and creating character descriptions. We will be using speech marks, commas and subordinate clauses.

Year 2 – Term 6 Celebration

Maths

We'll be exploring time, statistics and position

Reading

We're continuing to develop our retrieval and inference skills through fiction, non-fiction and poetry. We're particularly focusing on reading stamina!

Vocabulary
Infer
Predict
Explain
Retrieve
Summarise

Science

We're going to be learning about growing up; looking at the life cycles of humans, frogs and caterpillars.

Geography

We're going to learn about the physical and human geographical features of Bristol and Tulum.

Learn Together

We will be looking at relationships and friendships.

Spanish

We're going to be learning about different fruits.

Art

We're going to learn about sculptures and use clay to create our own.

Computing

We will be exploring algorithms and following our own designs to make a program.

PE

We're delving into striking and athletics. We will also be getting ready for Sports Day!

Events
